RE: AB 118 – OPPOSE

Dear Assemblymember Logue:

I am writing on behalf of the California Alliance for Retired Americans (CARA) and its 800,000 members to oppose your bill AB 118. Since its inception, CARA has included in its goals the protection of our state for our members and for future generations.

AB 118 would repeal the California Global Warming Solutions Act of 2006. CARA believes this would set a bad precedent and would stop protections for the state and the citizens we serve in California.

For these reasons, CARA opposes this legislation and urges a no vote.

Sincerely,

Hene Kelly
