

TELL SENATOR FEINSTEIN TO BE A CHAMPION FOR SOCIAL SECURITY

CELEBRATE SOCIAL SECURITY'S 76TH BIRTHDAY

WEDNESDAY, AUGUST 17TH AT 11AM

San Francisco (1 Post St.) and Los Angeles (11111 Santa Monica Blvd.)

In spite of countless efforts to learn her position on Social Security, we still DO NOT know Senator Feinstein's position on:

- Privatizing Social Security
- Raising the Retirement Age, Means-Testing, Taxing Benefits, or
- Understanding that Social Security has not contributed 1 penny to the federal deficit

Join us on August 17th to present over 1000 personal stories about Social Security to Senator Feinstein. Help us urge her to **STAND UP AND BE A CHAMPION** against cuts to Social Security.
